

A.A. NEEDS YOU!

Area 44 currently has opportunities for service in the following vital committee positions:

RECORDING SECRETARY – This individual coordinates the preparation of minutes of Area 44 and Joint Unity meetings. *They form a group to help type minutes of meetings; they do not do this all by themselves!*

COMPUTER COMMITTEE CHAIR – This person chairs the Computer Committee which cares for the Area 44 Computer, including backups, licensing, support and seeing how technology can help others in Area 44 carry the message!

FINANCE COMMITTEE CHAIR – Works closely with the treasurer in helping prepare financial reports for the Area Committee, works on the area budget, and strives to insure prudent spending of seventh tradition group contributions.

MAILING COMMITTEE CHAIR – Someone who is willing to assure that the groups stay informed! They gather other AA members to help mail out 8 or 9 mailings per year. Lots of fun!

REMOTE COMMUNITIES CHAIR – An AA Member who wants to help carry the message to those who are isolated from AA by either language, culture or geography!

TRANSLATIONS COMMITTEE CHAIR – This committee coordinates the translation of flyers, reports and agendas into other languages (i.e. Spanish). The chair of this committee is not required to be bi-lingual; just someone who is willing to make sure our non-English speaking members are included in AA!

SECTION 1 LEADER (Sussex, Passaic & Bergen Counties) – A past member of the Area Committee who is willing to help DCMs in these counties learn and perform their duties. Section Leaders are also vital in scheduling Pre-Conference Reports with the Delegate and coordinating other multi-district events.

If a sense of gratitude and responsibility has you looking for a way to give back to AA as a whole and to meet others in our area, please contact your Area Chair, Wayne R. area-chair@nnjaa.org. This may be just what you need!
